CertifiChecks

Below is a list of participating businesses. Updates can be found at lakewoodalive.com. Please anticipate that some staff may be unfamiliar with the CertifiChecks. They should be treated as cash. The gift certificates have numerous security features including thermal-sensitive orange writing on the back that will turn yellow when rubbed. If you have questions, please contact Mary Anne Crampton at the *Main Street Lakewood* office, 521-0655, or call CertifiChecks toll-free at 877-770-4438 x 230 during normal business hours Thank you for supporting our local merchants.
